

Environmental policy

(original document: UMWELT – STRATEGIE)

Gmundner Fertigteile Ges.m.b.H & CoKG. Is aware of its responsibility for the environment and ensures compliance with all relevant current and future legislation. Where appropriate, we will also endeavour to be compliant with appropriate codes of practice.

Our efforts are based on the principles of the UN Global Compact

Principle 7: Companies should support a precautionary approach to environmental challenges

Principle 8: Companies should take initiatives to promote greater environmental awareness

Principle 9: Businesses should accelerate the development and diffusion of environmentally friendly technologies

We achieve this in particular through our commitment to:

- ⇒ **Promotion of environmental, health and safety awareness among all employees**
- ⇒ **Consideration of environmental impact when developing customer-related solutions**
- ⇒ **Integrating environmental awareness in the selection of our suppliers**
- ⇒ **Continuous improvement of the organization, procedures and processes**
- ⇒ **Reduction of waste**
- ⇒ **Reduction of emissions (exhaust gases, noise)**
- ⇒ **Reduction of consumption of raw materials**
- ⇒ **Recovery of worked up substances**
- ⇒ **Use of recyclable materials**
- ⇒ **Respect of all factors, affecting the life cycle of a product**

Every employee is personally invited to support and implement the environmental strategy
